Poll Question

Does your company have a requirement to retain important emails?

A. Yes

B. No

Intelligent Email Management

Identifies candidates for email retention

Enhanced suggestions for where to store emails

The screenshot displays the harmon.ie web application interface. At the top, there are navigation tabs for 'LOCATIONS', 'PEOPLE', and 'TOPICS'. Below these, a breadcrumb trail shows 'VISITOR EXPERIENCE'. A search bar and refresh icon are also present. The main content area is divided into two sections: 'In your Mailbox' and 'Saved to SharePoint'. The 'In your Mailbox' section lists three emails: 'Marketing materials', 'Re: Budget and Fundraising for the Conser', and 'Re: Marketing Budget template'. Each email has an 'Open to Save' button with a red 'X' icon. The 'Saved to SharePoint' section lists seven emails, each with a blue 'S' icon indicating it is saved to SharePoint. A blue bracket on the left side of the screenshot groups the three emails in the 'In your Mailbox' section, with the text 'harmon.ie pinpoints related emails in your Inbox for saving to SharePoint' next to it.

harmon.ie pinpoints related emails in your Inbox for saving to SharePoint
