The screenshot shows the Microsoft AppSource interface. At the top, it says 'Microsoft | AppSource'. Below that are navigation links: 'All', 'Apps', 'Categories', 'Industries', and 'Consulting Servi'. The main content area shows 'Apps > New harmon.ie'. The app listing includes a logo with a colorful knot and the word 'new' in a blue box. To the right of the logo, the text reads 'New harmon.ie by harmon.ie Corporation', 'Outlook', 'Microsoft 365 certified', and '★ 5.0 (9 ratings)'.

ESDC

“harmon.ie enables our employees to do information management without knowing they are doing information management... And that makes all the difference.”

Alexandre Singh

Executive Director Business Solutions and Information Management at Employment and Social Development Canada (ESDC)

Bosch

“harmon.ie’s solution works very well and the fact that your metadata is directly written from your email just by dragging and dropping into SharePoint is very important for our users, as it saves time and ensures higher levels of adoption for the platform.”

Daniel Stuch

Bosch Senior Project Leader Very very long texter Very very long text
